

Denver Federal Center

so much to love ...

The Denver Federal Center Basics

The Campus

There's so much to LOVE about the historic Denver Federal Center (DFC)! From its prime location in the HEART of the foothills to its sustainability practices and the meaningful work that serves the American people.

The Location

The DFC is located adjacent to the foothills of the Colorado Rockies and is only minutes from downtown Denver. Forty-four federal buildings totaling four million square feet of rentable space, occupy the 623-acre campus.

The Amenities

- · On-campus building manager
- Joint-use conference rooms available
- Secured campus
- Ample parking (no fees)
- FOH is on campus (free flu shots for federal employees)
- Daycare on campus
- Fitness amenities include gym, outdoor track, walking trails, fitness classes, baseball fields
- · Einstein Bros Bagels located in Building 41

- Mini Market located in Building 25
- Full service cafeterias in Building 53 and 67
- Bicentennial Park with WiFi access

The Features

- Goal to be the most Sustainable Campus in the U.S. by 2020
- Bicentennial Park open for use in the summer for BBQs or meetings
- DFC Farmers Market runs June-September
- Bike Share Program
- Light Rail stop at the DFC
- RTD has several stops at the DFC
- · Recycling programs
- Seven DFC electric vehicle charging stations
- Xeriscaping throughout campus
- Compost Program (pilot begins April 2013)
- Community Action Garden (donated to Jefferson County)
- Campus Solar Panels generate 8.0 megawatts of solar energy per year
- Quick access to St. Anthony's Hospital
- Near the Post Office
- Recent Utilities Infrastructure Project
